Acoustic Energy was conceived in 2011 by outstanding female vocalist Jessica Field and guitarist vocalist David Stevenson. Developed initially as a duo but then subsequently expanded to a trio with awesome stick man Lars Wickett on drums and vocals, Acoustic Energy have a modern image with three of the best Musicians in the country.

Available for weddings, private parties, corporate functions, upmarket Restaurants and bars. Acoustic Energy play classic songs and contemporary covers from the 1960s right up to the current chart in an acoustic, unplugged, live lounge style.

Although they are a duo/ trio the sound is full and energetic as their name suggests. A packed dance floor and party is guaranteed. The trio for 2x45min sets Including Pa, Lights, transport costs and basic DJ up to midnight is £750. (For locations over an hours drive from the west Midlands and for later playing/DJ times please enquire) For more information contact us on the details above, see the band in action at [www.silverspiderproductions.com/acousticenergy](http://www.silverspiderproductions.com/acousticenergy).
